Description

From Bastien (@bzg in Kune):

There are two options for icons nowadays. The small one:
http://movecommons.org/mc/0.1/images/np-rp-ro-rs-88x31-0.1.png
and the big one:
http://movecommons.org/mc/0.1/images/np-rp-ro-rs-120x90-0.1.png

This is a proposal of third option, smaller and just with the MC logo (the MC in a circle). This would provide all the info that the others provide when you click on it, but otherwise it would just indicate that it belongs to MC, nothing else.
