Description

Some pages show Wave In a Box content:

http://kune.cc/auth/register
http://kune.cc/auth/signin

Also, signin page must redirect to http://kune.cc/#!signin(*relative_blip_link*) if a blip is linked and the user is not signed-in. Related: #570

Register servlet disabled. Partial #577

History

#1 - 03/27/2014 06:24 PM - Vicente J. Ruiz Jurado

I've just disabled /register/ but we use the signin servlet internally and we cannot disable right now.
