Description			
<p>I feel many people will have questions about Kune but won't click on "kune development site" if they are not geeks. Maybe it's convenient to place a direct "FAQ" link to solve common questions. I'm thinking on the people that will know kune.cc but not the kune.op.org website</p>			

Associated revisions

Revision 96357ccf - 08/20/2012 07:21 PM - Samer -

Added Kune FAQ to the "More" menu, fixes #246

History

#1 - 04/19/2012 03:35 AM - Vicente J. Ruiz Jurado

The FAQ should be additionally to "Dev Website", no?
