

Kune - Enhancement #334

When adding a user to a document, a list of possible users should appear

09/04/2012 04:40 PM - Samer -

Description			
<p>Rana says she never remembers the usernames of her colleagues. It'd be much easier if a list of friends appears in the dialog "Add a participant(s) (separate with comma ','): ", the same way as it appears in the Search bar.</p>
