<b>Description</b>	
<p>When a member of a group leaves, the admins receive a notification of it's leaving, which is good. However, the notification is</p> <p>Subject: [username] A member left this group</p> <p>Body:</p> <p>[avatar][username]</p> <p>A member left this group</p> <p>Thus, it doesn't mention which group is "this group". It should say "A member left the group GROUPLONGNAME"</p> <p>PS: I assign it to myself</p>
