Description	
<ul style="list-style-type: none">- ¿Permitir elección de varios? Icono genérico?- JP: quitar los 4 entornos y dejar solo el genérico? (más fácil memorizar)	

History

#1 - 01/21/2013 08:18 PM - Samer -

- Priority changed from Normal to Low

In the first release, we agreed to leave it as it is (just one can be selected). We'll see later on.
