Feedback from: http://kune.cc/#johnarupire			
After observing the behaviour of the participants in the Kune workshop on April 9, 2013, Johnattan suggests to add a "Most active groups" tab in the Home, next to the last created groups. The idea is that people sometimes wants to nose around ("curiosear") other groups, but last created groups have very little contents, and thus all groups checked are empty. Including links to active groups would help in that sense.			

History

#1 - 04/10/2013 01:08 PM - Vicente J. Ruiz Jurado

- Description updated
- Priority changed from Normal to Low

Currently, it's difficult to measure activity.
